Happy Holiday to all of you - we wish you all the best
We hope you have a wonderful time - we all deserve a rest!
Spending time with family and friends we hope
Recharging all our batteries to ensure that we can cope

There are many challenges ahead, but our spirits are high
Our reputation and achievement are part of the reason why
But mainly it's thanks to all of you - our loyal clientele
That convinces us that next year will be good as well

So thank you all for your custom this year
You have given us every good reason to cheer
We are looking forward to working with you in 2009
Let's hope we can all have a productive and exciting time

With best wishes for an excellent Christmas and New Year!
