

# Summer Outdoor Play!

Make the most of your Outdoor Play Space

## Involve the children in planning and developing their Outdoor Play Space

Crêchendo Training has a range of programmes and courses designed to get the best out of you and the children in your care. With this in mind, we have developed a fun, interactive day that will help children and adults work together to make more of their Outdoor Play Space.

Whether you are a parent, carer or practitioner, you and the children in your care will discover new ways to enhance your outdoor play experience – no matter what the weather holds.

### During the day we will:

- Introduce new experiences
- Talk about what you (and the children) enjoy doing and find ways to develop that further
- Involve the children in planning and developing their own play space
- Look at different activities

### All in the convenience of your own setting

An experienced trainer will come to your outdoor play area to facilitate the day; encouraging interaction, participation, consultation as well as providing an opportunity to develop new ideas.

### Costs

Costs are £750 + VAT per day in a setting. To get maximum benefit from the day, you can split it across two separate groups of children (i.e. morning and afternoon).

In addition, Crêchendo's experienced trainers can tailor the day to meet any specific requirements you may have.

### How to Book

For further information or to discuss your specific requirements, please contact Sue Usher at Crêchendo Training:

Tel: 020 8772 8160

Email: [training@crechendo.com](mailto:training@crechendo.com)
