

Make your Summer Playschemes memorable

Ensure your Playworkers are ready for this year's Summer Playschemes with the Crêchendo Training Playwork Programme.

Crêchendo Training has a range of programmes and courses designed to get the best out of you and the children in your care and with our Playscheme Training, you can make sure your Playscheme is one that children will remember and want to come back to.

Participation in Crêchendo's Playscheme Programme will give your Playworkers a sound understanding of the Playwork Principles as well as their roles and responsibilities in delivering a successful Playscheme experience.

Participants will be able to create a supportive and safe play environment that is fun and stimulating, providing the children with a positive experience and a fantastic development opportunity.
